

With over 16 years experience and a lifetime spent in Cobb County, Kristen Crisp brings a wealth of experience and knowledge to all of her clients. Her expertise of Metro Atlanta, specifically Cobb, Paulding, Cherokee and Fulton Counties, make her a valuable asset in the home buying and selling process.

Each year Kristen attends additional continuing education courses with such topics as: tax and law changes, relocation, computer technology, etc. She consistently remains up to date with the dynamic and ever changing Real Estate Industry

Kristen has completed the requirements to obtain both the GRI and CRS designations, something that only 5% of other Realtors can also claim. She is also active with her local Board of Realtors, having chaired and served on several committees. Since 2000, she has served on the Board of Directors for the Cobb Board of Realtors and the Georgia Association of Realtors.

When not working in Real Estate, Kristen helps raise funds for the Children's Miracle Network (CMN) and the Boys & Girls Club through an annual golf and tennis tournament. She also makes a donation to the CMN with every commission check earned. This money directly benefits our local children's hospitals.
